## **NEW SECTION ADDED FOR 2024----Musical Theatre**

### **Duet/Group Musical Theatre Scenes competitions**

This year the Vocal in collaboration with the Speech and Drama sections are delighted to introduce a competition that encourages students to work across performance disciplines and continue to expand and develop their performance skills through the performance of Musical Theatre Scenes. We encourage all groups to embrace all the elements of Musical Theatre; acting (spoken libretto), singing, and movement (appropriate staging and/or dancing) to bring these scenes to life.

**Competitions will be run during the Senior Speech and Drama competitions Jan 24<sup>th</sup>-27<sup>th</sup>**

**PLEASE REFER TO THE VOCAL SECTION ON THE WEBSITE FOR FURTHER DETAILS AND ENTRIES.**
